

Chinese Squad Humbles Count Okuma's Hopes

Locals Score 13 Runs While Waseda University Gathers Duo—Lang Akana Hitting Star of Day With Homer, Double and Single—Luck Yee and Hoon Ki Hold Them Safe—Kato Proves to Be Only Star on Visiting Aggregation

If Manager A. Kono of the Waseda University baseball team had been able to gather together a few Katos before he departed from Nippon, the 3000 fans of the city might have not been uttering such expressions yesterday afternoon as they hurried from Athletic Park as "Slaughter," "Rent," and a few other words which would have to be carefully censored before appearing in print.

In passing it might be wise to state that the above-mentioned Kato is not a Japanese sonnet, nor is it a projectile. Kato is the shortstop of the Waseda team, and in addition to being the smallest of the bunch is far and away the best player on the squad, if the first two games show anything.

Chinese Land 15. Yesterday afternoon Mr. K. Kato and the other representatives from Count Okuma's educational foundry appeared on the diamond to stop the Chinese aggregation of Honolulu. As stoppers they would not be rated in the Class A department, and when Kim Luke's aggregation had finished its labors it managed to show a total of 13 runs, which disproves the theory that this is an unlucky number for the Chinese.

Kim Luke looked over his staff of pitchers and sent Luck Yee out on to the firing line with Kan Yen as the receiver. Manager A. Kono had been saving Kawashima for the Chinese team, and trotted him out to play the Honolulu aggregation. Kawashima was saved and he wasn't saved. Kono saved him all right, but the Chinese didn't, and when T. Kawashima was given the exit sign he had allowed six runs, and the game was in the well.

Kishi To Rescue. Kishi, who looks like the best pitcher by far on the visiting squad, was sent to the slaughter, but Kishi had pitched a hard game the day before, and could hardly be expected to show much. Luck Yee struck out 10 of the Nipponese, and then decided to allow Hoon Ki to show.

Mr. K. "Ray" Kato was the only player in the aggregation who showed all-round ability in every department. The little fellow stands at the plate well, which is more than can be said for the most of the squad, and in addition knows how to field, run bases and appears to be the life of the team. Hanai at first base also showed up well in the field, and is not the poorest hitter on the squad.

Cho Not Equal to En Sue. Cho, the little Chinese center fielder who was trotted as a second En Sue, resembled the local star about as much as the Fashion department store of Simkin's Corner does Marshall & Field's. And at that the little Chinese player isn't the poorest man on the squad.

As batters the Waseda team will never carry off any honors while Ty Cobb and Eddie Collins are sticking around. They look nice in the field, and if they could form the habit of getting closer to the plate and step into the ball they would play better baseball.

Lang Hits 'em. Of the local players, Lang Akana

Star of Waseda Baseball Team

K. "Pepper" Kono, the little short fielder of the Waseda team, who has proved to be a real star on the visiting aggregation. Kato appears to be the only player on the team who has grasped the right idea in every department of the game. He shows plenty of speed on the bases, hits well, and in addition to this fields his position with an unusual amount of "pep."

LOCAL GOLFERS WIN MATCH AT COUNTRY CLUB

Defeat Army Representatives in Week End Matches By a Score of 17 to 10

Golfers of the Country Club royally entertained the guests from Schofield Barracks on Saturday and Sunday, and in between the entertainment they managed to secure a little revenge for their recent defeat at the hands of the army contingent at Schofield Barracks some time ago.

In the matches on Saturday and Sunday the Oahu Club members proceeded to annex 17 of the 27 matches, and many of them by a good margin. J. I. B. Greig proved up on his game when he defeated Frank Armstrong. This match and the Halstead-Lincoln, Angus-Snow, Grace-Schneider, Cleveland-Knight and Gonsler-Bishop contests were expected to be hard fought, and the locals proved strongest by winning in all but two of these fights.

The Country Club was a busy place during the week-end, and the dinner and informal affairs were enjoyable features of the week's play. The inter-club matches have proved to be popular, and it is expected that the next match will be played on a neutral ground, inasmuch as each have one match to their credit.

The following matches were played, the asterisk denoting the winner of the play:

ROPERO BREAKS AMATEUR RECORD FOR ISLAND RIDE ON HARLEY-DAVIDSON

Frank Roper, riding a Harley Davidson motorcycle made the round the island trip yesterday morning in 2 hours 7 minutes and 49 seconds, which breaks the amateur record held by Cummings. Roper left Honolulu at 5:45 a. m., arrived at Haleiwa at 6:26:30, passed Laie at 6:51 and finished his tour at 7:53:47.

Shortly after Roper started, C. D. Mitchell went after the record for carrying a passenger around the island in a side car seat, but lost a tire at Laie and was forced to stop. Mitchell intends to make another trial to establish a record.

ASAHI TEAM WINS FROM KONGOS, EARNING PLACE IN JUNIOR LEAGUE RANKS

Two of the candidates for the Junior League met yesterday morning on Makiki field, and when the battle was over the Asahis had defeated the Kongo aggregation by a score of 12 to 4. Nushida and Ken were the battery for the Asahis and the former proved a star, holding the Kongo squad safe all the way.

A large crowd witnessed the game, and the players all made a big effort to please, as they were fighting for a place in the Junior League. The Kongo team will play the Japanese high school squad next Sunday.

The players on the Asahi team were: Ken; Nushida, p; Yamashiro, 1b; Yoshikawa, 2b; Mamiya, 3b; Murashige, ss; Kubo, lf; Murakami, cf; and Haru, rf. The Kongo team is as follows: Kayama, c; Ueno, p; Yonehara, 1b; Amano, 2b; Matsuo, 3b; Serik, 3b; Ota, ss; Tsukamoto, lf; Sakai, cf; Hayashida, rf.

VOWELS DEFEAT CONSONANTS IN INFANTRY TILT

E and I Company Teams Land Victories By Rattling Rallies in Last Frames

[Special Star-Bulletin Correspondence.] SCHOFIELD BARRACKS, April 9. The play in the 1st Infantry Regimental League is rapidly drawing to a close, and as there are only a few more games for each team to play a fairly accurate forecast of the finish can be made. At present M Company leads with 10 victories and only two defeats, and as they have only two more games to play and these are with teams which they should defeat, the league championship will probably go to Company M. They have been playing a consistent game throughout the season, and by giving Company F a severe drubbing last week climbed into first place. F Company has led the league until the last 10 days when two successive defeats, one a 7-inning affair with G Company, and the other their beating at the hands of M, has relegated them to second place, and as they lose their mainstay when the great York goes to the states on the transport next week it is barely possible that A Company, which is now in third place, may nose them out of second place.

As it stands now A and I are tied for third place and each has two games to play. The league should end with M Company in first place and honors about even for F, A, I, or possibly K, to finish in second, third, fourth and fifth. All through the league H Company and the team from the Machine Gun Company have been fighting for the cellar position, with H Company in that position at present. This is the first year that the Machine Gun Company has entered a team in the regimental series, and while their work has not been fraught with much success as far as standing high in the league is concerned, they have gained a great amount of experience, and it is a safe prediction that next year will find them active contenders for first place.

On Saturday E Company put a slight crimp in the aspirations of K to finish one or two by defeating them 6 to 5 in a well played game. E Company is a second division team, but it played championship ball yesterday, and as a result K Company will have to do some fancy work and be aided by some disaster overtaking the leaders to finish any better than they stand today—fifth. Ross of K and Carr of E were the shining stars of the game in batting. Each of these men hit .750, getting three safe hits out of four times at the bat. The batting of Jones and Cuse of E aided their team materially in having the long end of the score. Jones got two in three times at bat, and Cuse made two in four times. Each of these players made two runs.

Co. K 1 0 0 0 0 0 0 2 2 5 8 2

Batteries—Company E, Sosnowski and Sargeant; Company K, Hollerbaugh and Shelton.

Home runs—Jones and Cuse. Double play—Brown, unassisted. Hit by pitcher—Hollerbaugh 1, Sosnowski 1. Struck out—By Sosnowski 5, by Hollerbaugh 4. Bases on balls—Off Sosnowski 1, off Hollerbaugh 1.

The game today was a well played one, and there was all kinds of excitement and enthusiasm, although the result had no effect on the standing of the league leaders. The two teams played as tough they were struggling for first place instead of being at the bottom of the list. Crooks of I Company led the field in the successful use of the stick, getting three hits out of four times at bat. In fact it was the strong stick work of I Company that enabled them to score their decisive victory over B. Every man on the team obtained a safe hit and most of them came at times when they were needed. Company B kept them pretty well scattered, and many of them not only pitched a good game, but he helped his position well, making four assists out of four chances.

DUKE FAILS TO QUALIFY IN THE 220 YARD SWIM

World's Champion Will Not Meet Herbert Vollmer in Furlong at New York

Duke Kahanamoku will not meet Herbert Vollmer in the 220-yard swim at New York this evening. A special despatch from W. T. Rawlins states that Duke failed to qualify for the finals. Inasmuch as Duke has made faster time than the majority of the swimmers around New York in a tank, it is thought that he is not in the best of condition.

In the Pittsburgh meet Duke finished second to Perry McGilivray of the Illinois Athletic Club. In this race, which was held on Saturday evening, Duke failed to start strong, but was gaining on McGilivray, and was beaten by only six inches. Duke had the satisfaction of winning from Arthur Raithel, who refused to come to Honolulu to meet the world's champion.

Honolulu fans still have confidence that Duke will come back in the St. Louis, Detroit and Chicago meets and defeat McGilivray and the other stars. He has a clear title to the outdoor championship, and is certain to hold his honors if he is in perfect condition.

M'ANDREWS WINS FROM HALSTEAD IS MATCH ON THIRD ROUND OF PLAY

J. A. McAndrew, who was the winner of the Stewart Cup last year, will have another opportunity to play for the trophy by his win yesterday afternoon over Frank Halstead. McAndrew has been playing a good game, and when he took Frank Armstrong into camp the sages at the nineteenth hole stated that he had an excellent opportunity to win the title this year.

Willard Grace won on Friday from C. F. Cleveland, and J. I. B. Greig won from A. Lewis. J. D. McInerney proved to be the winner in his match with Lieut. Col. Campbell. In the semi-final round which will be played next Sunday J. I. B. Greig will meet Willard Grace, and J. A. McAndrew will oppose J. D. McInerney. These two matches are expected to be interesting to the golf enthusiasts. The finals will be played on the following Sunday.

BICYCLE MEET CALLED OFF.

L. Fullard Leo, who had planned to stage a bicycle meet at Athletic Park on Saturday evening, has decided to call the event off as the boxing bouts on Saturday would surely interfere with the program outlined.

HONOLULU WIN IN CLOSE GAME FROM WASEDAS

Locals Score Winning Run in Eighth Inning; Visitors Fail to Slam Leather

M. Josh Parese broke into the limelight as a winning pitcher on Saturday afternoon at Athletic Park when his Honolulu squad defeated the Waseda University team by a 3 to 2 score. The game was tied at either lead until the last frame, when Hanai walked, but Ito, the pinch hitter with the spectacles, smacked a home run and fanned.

The visitors presented Kishi, the southpaw who looked mighty good throughout the affair, and had the teammates been able to hit a flock of barns with a flat pine, Kishi might have won his game. He did not walk one of the locals, and sent six of the Parese crew back to the water bucket via the air route.

Blondy Heaves. "Blondy" Williams adorned the hill top for the locals, and although wild, held the visitors safe with three hits, two of them secured by Kato. "Blondy" almost spilled the limas when he went over after a fly ball, and allowed Kato to score.

The game opened with little Kato at bat, and by the way things started it looked like a runaway for the visitors. Kato reached for one of Williams' shoots and sent it out into right for a homer. He surely circled the bases in fast time, and the rooting section of the visitors went wild. Then Yokohama sent a hard drive to left, but after that the hits were as far apart as ear muffs in Ecuador. Bushnell Scores Souza.

The home squad did not score until the sixth, when Souza and Bushnell hit and the former came in with the tying run. Waseda evened it up in the eighth, when Williams erred, but "Blondy" came back in their half with a bingle through the infield which scored Dumshot and Nish after two infield errors.

Judging from the game as played Saturday there was not a real star on the visitors team, with the exception of Kato, the little shortstop, Ichika, Kishi and Hanai played good ball, but the weakness of the team with the stick surely hurt their chances. Usui was up three times, but failed to see the ball once. If the Waseda team would crowd the plate more and take a swing at the ball once in a while they would show better playing, and would be more appreciated by the fans.

'KING' KELLY'S WORK IS GREAT

In the Fort Kamehameha League Friday "King" Kelly, the crack pitcher of the 91st Company team, shut out the 75th Company by a score of 7 to 0.

This youngster is claimed to be one of the fastest pitchers on Oahu and has led his team to victory in every game he has pitched during the present league season. The 91st Company leads by a safe margin, having met with only one defeat since the beginning of the season.

The team is to be materially strengthened by the addition of "Dummy" Dumshot, the fast shortstop of the All-Army team of the Oahu League.

COMPANY K DEFEATS C SQUAD IN CLOSE GAME AT SCHOFIELD

[Special Star-Bulletin Correspondence.] SCHOFIELD BARRACKS, April 10.—On Thursday afternoon C Company worked over a surprise on the strong K Company team and on the fans. C Company had been looked upon as an easy prey for K, but the latter had their hands full in gaining a 3 to 2 victory, and were at frequent times during the game threatened with defeat.

Carter, who pitched for C, put the balls over the plate with great and baffling speed, but was slow in watching his base runners.

Carter is a new man who recently transferred from the 24th Infantry, and was a great surprise to K Company's heavy hitters.

C took the lead in the first inning and held it until the fifth when K Company tied the score. The tie was not broken until the eighth when Crafton hit to left garden for two bases, and stretched it to home when Scott let the drive get through him.

In the early part of the game, Fagin, the K Company twirler, was found easy to hit, but later on nothing but pop-ups were allowed.

The score was as follows:
Hits and runs by innings:
Co. K 0 0 0 0 1 1 0 1 3
Base hits 0 1 1 1 1 0 1 4
Co. C 1 0 1 0 0 0 0 2
Base hits 1 1 1 0 1 1 0 0 5

Summary.
Two-base hit—Crafton. Sacrifice hits—Gordon, Robinson, Augstin, Milton. Hit by pitcher—O. Johnson by Carter. Double plays—Off Fagin 2, off Carter 1. Struck out—By Fagin 2, off Carter 4. Passed balls—Robinson 2. Umpires—Collins and Hays. Time of game—1 hour 31 minutes.

TRIS SPEAKER SOLD TO CLEVELAND TEAM

[Associated Press by Federal Wireless] BOSTON, Mass., April 10.—President Lannin of the Boston American team announced on Saturday evening that he could not come to terms with Tris Speaker, the star outfielder of the world champions, and stated that Speaker had been sold to the Cleveland Americans. Speaker was one of the stars of the Boston team, but Lannin will use Hendrickson in the outer garden.

The sale of Speaker to the Indians will give Fohl more strength than he has had in the past year, and with Roth and Graney the Cleveland outfield will shape up well with many of the other squads. Speaker will be a big drawing card, and the signing of the Boston star will give the national game a big boost in the Sixth City.
